

Terms & Conditions applicable for Research Products

Normal Per order brokerage as per your existing plan for buying stocks or ETFs will be applicable. Subscription charge of Rs 100 per smallcase will be charged for buying a new smallcase irrespective of the value of smallcase.

You can decide on various baskets of stocks for investment/disinvestment through the tool provided by Smallcase Technologies Pvt. Ltd. (SEBI Research Analyst Registration No. INH200005987). You will be now redirected to Smallcase page.

This Smallcase tool is not intended in any way as a solicitation for any offer document, securities, insurance, mutual fund, tax or legal product or any other Financial Instruments and services. It does not constitute investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific needs or circumstances.

The stocks/mutual fund schemes which are part of the various baskets may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs. This may not be taken in substitution for the exercise of independent judgments by you. You should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the stocks of companies or mutual fund schemes and should consult your own advisors to determine the merits and risks of any investment in the stocks of companies referred by Smallcase (including the merits and risks involved).

ASL, its directors, analysts or employees do not take any responsibility, financial or otherwise, for the losses or the damages, if any incurred sustained due to the investments made or any action taken on basis of the information provided by Smallcase tool. You are advised to see Risk Disclosure Document uploaded on the website www.axisdirect.in to understand the risks associated before investing in the securities markets.
